9 Itemised schedule of VAT amounts relating to the period covered by this application

- 1) Each document submitted should be consecutively numbered starting with 1. The number should be inserted in the top right-hand corner. Enter details across the columns in respect of each invoice submitted. If you do not have enough space use the VAT65/65A (CS) continuation sheet or acceptable alternative version (see under *General* in the Notes). Attach this firmly to the application form.
- 2) You are reminded that when tax is incurred by taxable persons who receive VAT group treatment, the group representative member must apply on behalf of all the members. As the supporting invoices produced will not necessarily be addressed to the representative member, the status certificate must also contain the names of those group members who incurred the tax.
- 3) Refunds of tax incurred may only be claimed subject to the rules of each state. Brief details of supplies in each Member State on which tax cannot be reclaimed are given in HMRC Notice 723. Tax incurred on the following supplies will not be refunded by any Member State:
 - (a) supplies of goods which have been or are about to be exported, and
 - (b) supplies to travel agents which are for the direct benefit of travellers. Under this scheme the term ‘travel agent’ includes tour operators or any person who purchases or re-supplies services to travellers.
