

Anywhere within the west or east side 'Circuit' zones (within the ATZ) has a **very high probability** of being overflown routinely, in particular **Kidlington, Yarnton, Begbroke, Hampton Gay, Bladon, Woodstock**

Bunkers Hill, Tackley, Rousham, Lower Heyford will always be overflown

Cassington, Wolvercote, Worton, Hampton Poyle, Hanboroughs are quite likely to see overflying traffic

When circuit is extended when busy, **Kirtlington** and **Bletchington** will be overflown
